

VOICE OF THE VILLAGE

Dear Friends,

What an extraordinary result we had from our 2023 Trivia Night and Online Raffle! We are overjoyed to have raised just over \$13,000 towards our three major giving projects this year – see the last page of this edition if you still don't know what these are!

We had 180 people squeeze into the Lindfield Sports Centre on Saturday 13 May where we all had the best night! There was delicious dinner from Dope Fusion, drinks at the bar all night served to us by the delightful Victor and his staff, our entertaining Trivia Master Jason Montgomery running the proceedings, daring dance-offs, determined coin toss games and prizes galore! You are a super fun bunch, that's for sure. Thank you for embracing these two projects so generously and massive love and gratitude to Kat Piotrowski and the Fundraising & Events Working Group for another seamless event!

There's no time to rest on our laurels though – we've got the Athletics Carnival on Wednesday 24 May at Dunbar Park in Marsfield, where we'll be providing an ice cream van for carnival day treats – slushies, gelato, ice cream and coffees for the grownups! We're also going old school with a good old-fashioned cake stall – if you'd like to contribute some home baked or store bought goodies, please complete the Sign Up Genius form and drop your goodies to Kat in the front playground on Wednesday morning at drop off time. While the Athletics Carnival is just for students in years 3-12 (and 8 year olds in year 2!), anyone can contribute baked goods to our fundraising stall!

I'd also like to take this opportunity to remind you that our Term 2 Friends of the Village General Meeting is taking place on Thursday 1 June at 7:30pm. If you have any items for the Agenda, please email us at friends@llv.community as soon as possible. As usual, Stephanie will provide a Principal's Update on all things LLV.

The lovely Socialites in the 3-6 Hub have organised a great day apple picking in Bilpin on Sunday ... I look forward to seeing many of you there! Happy weekend,

Lisa

FOOD DRIVE

Stage 5 Food Technology are studying the topic, Food Equity. We are conducting a Food Collection Drive so that we can donate what we collect to a local food bank.

Our request is that if you are in a position to do so, spend an extra \$5 or more when you shop on tins, jars and packets of food as well as personal hygiene items like shampoo and deodorant.

Send these items in to school with your student/s from Week 3 until Week 10 (7 May - 30 June). Collection points will be at Kiss & Drop and at the front gate.

Many families are struggling to put food on the table, so if you can help we and they, would really appreciate it.
