

VOICE OF THE VILLAGE

Dear Friends,

We're deep into the second half of term two and we've had a terrific amount of engagement and support for our projects so far, including Trivia Night, our Online Raffle and our cake stall and ice cream van at the recent Athletics Carnival (see photos later in this edition).

Coming up, we've got our very popular food trucks coming to LLV's mountain top event, Winterfest, on Wednesday 28 June from 4pm.

Our focus is now squarely on our major event of the year - 2023 FOTV Family Play Day - on Sunday 10 September on campus. This is an all day event for the whole Village, including our neighbours and local Lindfield community. There will be games, activities, entertainment, food and a much-requested event for the students in the afternoon! We're looking for some help from the Village - please have a read of the Fundraising & Events Update on the following pages and get in contact with us with how you can assist.

Thank you to those who attended Thursday evening's Term 2 General Meeting. It is always a pleasure to see all your lovely faces on the screen and to feel the sense of community and positivity in our excellent Village. The minutes will be available within the week for those who were unable to attend.

Lastly, if you'd like to have your say on the Partnership Agreement being jointly developed by the Department of Education and the P&C Federation, with the aim of supporting all students to achieve their potential in the public education system, please click [here](#) to read the draft and then follow the link to complete the five minute survey.

Have a lovely weekend,

Lisa

FUNDRAISING & EVENTS WORKING GROUP UPDATE

After a very successful Athletics Carnival Cake Stall, we are turning our attention to our major fundraiser of 2023 - our FOTV Family Play Day on Sunday 10 September! Can you help with any of the following?

Event Partners - do you know, do you have or do you work for a company who might like to become an Event Partner for this event? Packages start at just \$1000 and are an excellent way for local businesses to gain positive exposure in the local community. Hit us up!

Performers - are you in a band? are you a stand up comic? musician? magician? a host with the most? As you can see below, we want to curate a schedule of entertainment through out the day - students and grown-ups most welcome!

Most important - please keep **SUNDAY 10 SEPTEMBER** free in your diaries ... the Family Play Day culminates in a (returning) treat for the students as we bow to unrelenting pressure and give the kids what they want... can anyone guess what we're planning??

WE NEED BANDS, SINGERS & PERFORMERS

Our 2023 Major Fundraiser is taking place on Sunday 10 September at LLV. It's an all day event full of PLAY and we want to hear from our talented Villagers who perform! We'll have an Entertainment Stage set up with a full schedule of performances across the day and we know we have many parents/carers in our community who can entertain us! Please send an email to Lisa at president@llv.community to chat further!

3-6 Hub

Apple Picking in Bilpin

Sunday 21 May

3-6 Hub families spent a glorious few hours at Bilpin Springs Orchard picking delicious Granny Smith and Pink Lady apples, then gathering under the beautiful old tree for a picnic lunch. It was a crisp, sunny day, perfect for tromping about the orchards and a wonderful way to spend time together. Thank you to our Socialites for organising another great event!

FOOD DRIVE

Stage 5 Food Technology are studying the topic, Food Equity. We are conducting a Food Collection Drive so that we can donate what we collect to a local food bank.

Our request is that if you are in a position to do so, spend an extra \$5 or more when you shop on tins, jars and packets of food as well as personal hygiene items like shampoo and deodorant.

Send these items in to school with your student/s from Week 3 until Week 10 (7 May - 30 June). Collection points will be at Kiss & Drop and at the front gate.

Many families are struggling to put food on the table, so if you can help we and they, would really appreciate it.
