

# VOICE OF THE VILLAGE

Dear Friends,

This is the last edition of *Voice of the Village* for Term One! The start of the year is always jam-packed, but this term seems to have flown by. I hope all your students are ready and raring to go for UNLEASHED next week. Keep an eye out on school socials for lots of updates and photos from the many and varied activities that will be taking place.

We've had lots of people asking about one of our most popular events - the FOTV TRIVIA NIGHT on Saturday 25 May! **Tickets will be on sale on 1 May** and we advise you to snap up your tables quick smart, as we have limited room at the Lindfield Sports Club. If you don't have a fully formed team, don't worry, we can match you up and you can meet new friends. It is always a really fun night, full of prizes and merriment - and a fantastic way for you to contribute to your school and our ever important fundraising. Last year, the Dazzling Dominoes took home the crown - will they do it again?

Or is it YOUR turn to reign supreme?? The Fundraising & Events team are busy putting together a spectacular night for you and we can't wait!

On a less exciting but necessary note, we've been sorting through the mountain of Lost Property at school and we urge you to come and collect any lost items in the last week of school.

In the interests of sustainability and supporting our school fundraising, we'll be "selling" off unclaimed items for a very low price early in Term 2. Have a wonderful end of term and school holiday - see you in Term 2!

FOTV WORKING GROUPS

# SOCIALITES

Stage 1

Stage One families enjoyed a balmy evening at the West Pymble Bowling Club on Saturday 23 March. The kids had a great time playing on the green while parents & carers mingled and chatted over dinner and drinks, all while supporting a local business. Win win for all!

If you missed the bowlo catch up, Stage One have another event coming up on Saturday 4 May at 6pm at The Diddy in Longueville - this one is sans little people!

FOTV WORKING GROUPS

# SOCIALITES

Our Kindy Socialites organised a super fun egg hunt in the top playground after school last Wednesday! Reports reveal it was some of the best - and most complicated - egg hunting ever witnessed! Our Kindy families even managed to have a little money leftover, so they have kindly donated \$50 to our FOTV fundraising coffers. Hope the sugar rush was worth it, Kindy kids!

# TRANSPORT & SAFETY

Thank you for your continued support to make our school safer for everyone. There has been a significant improvement in the way we are using the community centre car park for drop offs and pick ups. Perhaps this is because our friendly ranger Alex is frequenting the area to hand out fines for those drivers doing the wrong thing!

We hope we'll continue to see better behaviour in this area and all areas so that we can prevent accidents from happening. Please remember that you cannot stop on Dunstan Grove to let your children out of the car. You must find a safe and legal park. For example, Shout Ridge has parking spaces along the oval where students can get out of the car safely and then walk along the footpath and use the Dunstan Grove pedestrian crossing.

This crossing on Dunstan Grove is receiving an upgrade including speed cushions and zig-zag lines, which should be completed by end of June this year. Council are also considering a proposal for a pedestrian crossing on the lower section of Dunstan Grove, where the existing kerb ramps are, which will also require upgrading the existing lighting.

Ku-Ring-Gai Council have also reiterated with us in writing that parking, stopping or pulling into the ambulance bay at any time is an offence and you will be fined by the ranger if you are caught doing this. They have provided extra personnel to enforce this law. Thank you for doing the right thing by your community.

Did You Know?

LLV is on socials! There's lots of ways you can keep in the know about what is happening at your school!

# COMMUNITY VOLUNTEERS

Coming up on Sunday 28 April from 10am, we're planning to join Malin and her Northern Beaches Clean Up Crew who will be cleaning up Whale Beach. Malin is a local school teacher who organises monthly cleanups with community volunteers. You can find more information here:

<https://www.northernbeachescleanupcrew.com/>

If you're interested, please join our Working Group WhatsApp and let Nadya, our WG Lead, know that you're planning to come!

# YEAR OF COMMUNITY

## Fundraising Goals

- Learning & Support Teacher
- 12 month Lease of a Bus

2024 is the Year of Community at Lindfield Learning Village. At FOTV, we've always prioritised community, connection, collaboration, inclusiveness and enthusiasm! In 2024, we want to harness those values and support our school in two major ways.

## Total Fundraising Goal

**\$113,500**

**Join Us!**

There are two ways to support these fundraising goals:

- 1 Pay your voluntary P&C Donation on your school schedule of fees
- 2 Support our fundraising projects and events throughout the year
