

# VOICE OF THE VILLAGE

Dear Friends,

Thank you so much for your support of our 2024 FOTV Trivia Night. As usual, we had a super fun night and I thank you all for your kind words and positive feedback about our event. Biggest gratitude goes to our Fundraising & Events team, so ably led by Kat Piotrowski and Verena Conti from the FOTV Leadership Team, and supported by the excellent Tanya Coates, Sasha Avery, Shannon Simpson and Alyce Hamer.

I'd also like to shout out our very own Colin and Lee from F45 Lindfield & North Ryde - what amazing Event Partners they were for our Trivia Night! Lee ran every team through their paces (at a very odd hour!) with enviable calm and focus, showing us just what we can expect when training with them at F45! We also thank Lindfield's newest (and very tasty!) burger joint, Happi Burger for their support of our fundraising. While I'm shouting out, here's one for our Kathy from Minifarms, who's always up for donating delicious prizes for our events and raffles - thank you, Kathy!

We raised \$8800 this year, a wonderful result, and one that really gets us going towards our overall goals for the year. Thank you!

We turn our attention now to the upcoming LLv Athletics Carnival, where FOTV will be having a huge cake stall and sausage sizzle! It's also just a few weeks before we open up our annual FOTV Online Raffle! The Raffle has so many great prizes up for grabs and will be drawn at Winterfest on Wednesday 3 July.

# FRIENDS OF THE VILLAGE BUSINESS DIRECTORY

Did you know we have a **FOTV Business Directory**? We started this initiative in our lockdown era (remember that?!) as a way of keeping us connected as a community and supporting one another's small businesses.

We're on a mission to expand the Business Directory at the moment and we'd like to invite you to be a part of it! If you have a small business, fill out this **google form** so we can add you to the Directory. Please include your contact details, business information and any discount offers you might like to offer the Village. We'll give you some FREE advertising on our website and then encourage our community to take a look the next time they're in need of certain goods and services.

If your business is already listed and you would like to update the details please also complete the **google form**.

There's currently a number of LLV businesses loving the referrals and customers they're gaining through the FOTV Business Directory, including our very own Colin and Lee from **F45 Lindfield and North Ryde**, who've also come on board as an event partner for our 2024 Trivia Night! What superstars!

**Go and take a look** and see what piques your interest!

# News from the P&C Federation NSW

Increasing funding to public schools is one of our top advocacy priorities for 2024. We are strongly committed to championing a commitment from NSW and Federal governments to meet the full School Resourcing Standard (SRS) for our public schools.

Following the Gonski Report over ten years ago the School Resourcing Standard was established to benchmark the funding level required for 80% of students to achieve minimum reading and arithmetic standards. Currently **98% of public schools do not receive their full funding entitlement under this standard. This impacts thousands of students every year and cannot be allowed to continue.**

Full funding means:

- New and upgraded facilities and technology
- More teachers and smaller class sizes
- Intensive support and assistance for children with additional needs
- Programs for students falling behind to help them to succeed
- Improved student wellbeing with more resources
- One on one support for students

You can help! We have launched a petition on our website, it takes less than a minute to sign and will be a great help as we work to advocate for public schools in NSW.

**Full Funding Matters**

**Our commitment to public school funding**

"The P&C Federation of NSW supports full funding of public schools. We are committed to using our platform and voice to advocate for a fair and adequately resourced education system for our young people. Students in public schools are dependent on government support and they are currently being let down. This issue has been impacting our schools and students for years and we are committed to taking action in order to bring about change. Our children deserve no less than a fully funded education."

## SUSTAINABILITY

The poster features a background of folded clothes in various colors. At the top left is the Friends of the Village logo. To the right, the word 'Sustainability' is written in a cursive font, with 'WORKING GROUP' in a smaller, sans-serif font below it. In the center, a large white circle contains the text 'SECOND HAND CLOTHES SALE' in bold, dark green letters. Below this, two dark green rounded rectangles contain the dates 'FRIDAY 24 MAY 2-4PM' and 'FRIDAY 21 JUNE 2-4PM' in light green text. At the bottom of the white circle is a green circle with a white recycling symbol. Below the white circle, the text 'at school in the foyer/ front playground' and 'super cheap prices - all items must go!' is written in a cursive font. At the bottom of the poster, the text 'Let's look after our Village and reduce waste in our community...' is written in a cursive font.

The Sustainability Working Group ran the first of two second hand stalls last week - it was pretty quiet, but a few sales were made.

The team will be taking the unsold items to the Ku-Ring-Gai Clothes, Books & Toy Swap on Saturday 1 June 10am-1pm. This initiative is set up to help reduce the amount of clothing sent to landfill and contribute to council's zero emissions goals.

They'll hold another stall at school on Friday 21 June to try and move on more Lost Property, which continues to pile up in the Clinic Room on Level 5 (off foyer as you enter the main doors). Please send your students to check if they have any items here. The school cannot possibly store all these items indefinitely, and aims to clear the items at the end of each term. Thank you for being a part of our sustainable (responsible) community!

# YEAR OF COMMUNITY

## Fundraising Goals

- Learning & Support Teacher
- 12 month Lease of a Bus

2024 is the Year of Community at Lindfield Learning Village. At FOTV, we've always prioritised community, connection, collaboration, inclusiveness and enthusiasm! In 2024, we want to harness those values and support our school in two major ways.

## Total Fundraising Goal

**\$113,500**

**Join Us!**

There are two ways to support these fundraising goals:

- 1 Pay your voluntary P&C Donation on your school schedule of fees
- 2 Support our fundraising projects and events throughout the year
