

VOICE OF THE VILLAGE

Hi Friends!

For the last couple of weeks, we have been busy doing what we do best over here at FOTV headquarters - fostering relationships with and supporting our fabulous school in all that they do. This week and last, we have shown our support by acknowledging LLV's **amazing SASS team** and the important work that they do to keep our school running. Daily deliveries of sweet treats, fresh fruit, snacks, tea, flowers and cards filled with our deepest thanks showered the team in love and gratitude. Perhaps you could let them know how fabulous they are next time you see, speak to, or email them.

THANK
you

We continued our relationship fostering by meeting with our new relieving principal **Mechel Pikoulas** this morning. It was a great chance

to chat all things FOTV and discuss how we can continue to collaborate with the school. Mechel was happy to let us know that she will be remaining with us at LLV, in her relieving position, until the leadership situation is resolved. She is keenly aware that our community needs continuity and stability as we heal from all of the recent disruption, and she is committed to providing just that. We discussed some new collaborative communication strategies that will hopefully lead to more streamlined comms across the whole school. We started to work through the wish list of items that staff have identified for FOTV funding - we are hoping to have a list finalised for voting at our next GM. Speaking of GMs, we also agreed that our amazing Relieving Deputies Amy and Bec

should be invited to attend our future General Meetings as a way of further relationship building and information sharing. Our next GM will be held in **early Term 4 on November 19**. We will be putting a call out for questions in the lead up to the meeting so that we can put those directly to the school executive team. So start thinking about areas of the school that you would like to better understand. And finally, Mechel has volunteered herself to be involved in a fun and exciting surprise at the **2024 FOTV SPLASH DASH!**

This event is taking shape and will be upon us before you know it. Our Fundraising and Events working group are busily scheming up a most **SPLASHTASTIC** event so be sure to mark **Sunday, November 24** in your calendars now! The event will run from 10am until 3pm and full details will be revealed shortly. In the meantime, just know that you will need swimmers, a white t-shirt, a healthy appetite, your dancing shoes, a solid sense of fun, and a strong throwing arm... We can't wait to share this one with you!

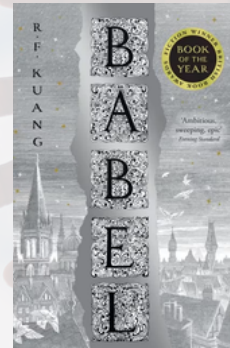

Danya, Kat, Verena, Linda, Don, Stan, Carly & Lara

YEAR OF COMMUNITY

2024 is the Year of Community at Lindfield Learning Village. At FOTV, we have always prioritised community, connection, collaboration, inclusiveness and enthusiasm! In 2024, we want to harness those values and help LLV make school better for every student every day.

LLV's 2024 wish list

- ▶ **additional Learning & Support Teacher***
- ▶ **12 month lease of a bus**

Every year the school gives the FOTV a wish list that is reviewed and approved at the GM - this is what we fundraise for.

Here are some ways to support FOTV and your school:

- 1 **Pay your voluntary P&C Donation on your school schedule of fees**
- 2 **Support FOTV fundraising initiatives**
- 3 **Come along to our events and general meetings. Meet other parents and carers. *Join US!***
- 4 **Volunteer at FOTV initiatives and events**

Total Fundraising Goal: \$113,500

*in addition to those provided by the Department of Education

From the P&C Federation NSW

Increasing funding to public schools is one of our top advocacy priorities for 2024. We are strongly committed to championing a commitment from NSW and Federal governments to meet the full School Resourcing Standard (SRS) for our public schools.

Following the Gonski Report over ten years ago the School Resourcing Standard was established to benchmark the funding level required for 80% of students to achieve minimum reading and arithmetic standards. Currently **98% of public schools do not receive their full funding entitlement under this standard. This impacts thousands of students every year and cannot be allowed to continue.**

Full funding means:

- New and upgraded facilities and technology
- More teachers and smaller class sizes
- Intensive support and assistance for children with additional needs
- Programs for students falling behind to help them to succeed
- Improved student wellbeing with more resources
- One on one support for students

You can help! We have launched a petition on our website, it takes less than a minute to sign and will be a great help as we work to advocate for public schools in NSW.
