2025 Annual Report

The **2025 FOTV Annual Report** is now live on the FOTV website—packed with highlights from another busy year and a great look at what each of our amazing working groups has been up to!

From events to behind-the-scenes efforts, it's a fantastic snapshot of the energy and impact across our community. Of course, none of it would have been possible without our incredible volunteers, and we'd love to take this opportunity to say a huge thank you to everyone who gave their time and enthusiasm in 2025.
